Hi everyone!

OSA posted about needing some student volunteers to help keep The Cabinet Food Pantry open in Reeve to expand hours and assisting in maintaining the pantry itself. It is located the basement lounge area outside of the Titan Underground in Reeve Union (Oshkosh Campus).

If you have any questions or want to get involved email: foodpantry@uwosh.edu

I have attached the flyer to this email and please let us know if you end up doing volunteer hours.

WHY JOIN ALD?

"I joined ALD as a means to get involved on campus and give back to the community. I have always had a passion for giving back to others by volunteering my time and efforts."

-Mackenzie Karau

"I joined ALD to meet other students while also doing something good for the community. This incredible organization teaches people about the concepts of leadership, service, and character."

-Kelly Garrett

"I joined ALD because I wanted to not only take pride in mine and others' academic achievement, but to also celebrate our community with people who truly care about it!"

-Alexia Weber

"I joined ALD because when I was a college student, student organizations made my experience. When I went onto the professional side of higher education, I continued to talk about my experiences in student orgs at UWO. I also love working with college students, so when the opportunity to advise ALD came up, I knew I had to take it. Two of my passions in one place!"

-Deanna VanderWielen

"I joined ALD because it was an opportunity to better myself and gain some life experience through volunteering!"

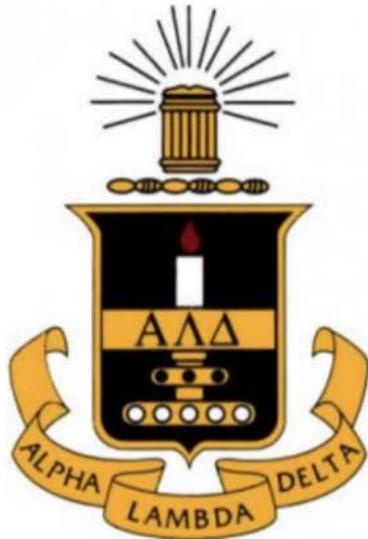

-Sam Sasin
