Our ALD officers at Kent State's student organization fair at the beginning of the semester, recruiting and spreading word about ALD!

ALD Recruitment Video

We put together an ALD recruitment video to send out to students who were invited to join ALD! This way, people were able to see our officers explaining what ALD is as an organization and see some of what we do in ALD through some pictures!

4. ALD Headquarter Involvement

National ALD Leadership Conference

Location: Tampa, FL 📍

The National ALD Conference was an awesome growing experience for our chapter and the officers. We were able to build connections with other students from different chapters and take home new leadership skills.

We brought our Chapter Advisor, President, Vice President, and one of our Programming Co-Chairs.

One of our very own Programming Co-Chairs, Lauren Reed, served as a Marketing and Communications Intern for Alpha Lambda Delta HQ!

The screenshot shows an Instagram post from the account 'nationalald'. The post features a testimonial from Lauren Reed, a student at Kent State University. The testimonial text is: "This internship has given me such great experience that I will be able to use in my future career! I've been able to work on my communication, leadership, and technical skills through different projects I've worked on. ALD also has such great staff, who have helped to guide and direct me in the areas where I needed it!". A photo of Lauren Reed is included in the post. The post is categorized under 'MARKETING & COMMUNICATIONS' and has icons for likes, comments, shares, and a bookmark.

BARNES & NOBLE

As an incentive, our local chapter awarded Barnes & Noble gift cards to the highest point earners for the 2022-2023 year!

6. Monthly Meetings

Our monthly meetings are a way for members to earn points. At our monthly meetings, we share with our members our upcoming events for the month and ways that they can get involved!

This year, our chapter introduced a new initiative where members could sign up for a team and start accumulating points by attending meetings and other events. The team that won, earned a special event, with free food, as a reward.

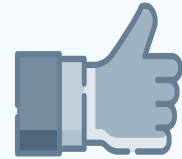

Teams Initiative

- If you are on a team, whenever you attend events, or complete anything that warrants a point in ALD, fill out this [separate attendance form](#), so the point can count for their team as well.
- The team with the most points at the end of the semester will win an exclusive event with free food at the end of the semester!

7. Member Feedback

In our instagram bio, we have a Linktree with a Google Form linked which gives our members the opportunity to participate in our event planning and get more involved!

ALD Event Ideas Interest Form

Want to be part of the event planning for ALD? Fill out this form to give us some ideas about what you would like to see this upcoming spring semester!

ALD will be coloring placemats for a local nursing home and a shelter's Thanksgiving dinner. Coloring supplies will be provided.

We colored Thanksgiving placemats for KentRidge and TallmaRidge Senior Living. We also collected canned goods which were donated to Kent Social Services.

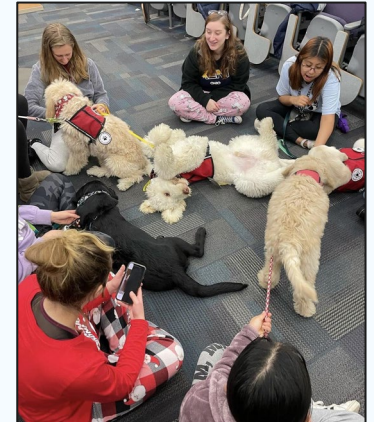

Donation Event : Paws for a Cause

We teamed up with another organization on campus, Paws for a Cause, for an end of semester/final exam de-stress donation event!

Donation Drive

During April's member meeting, we collected donation items for the International Institute of Akron as part of the National ALD service theme of refugees. Our members came together to make a difference in our community.

Spring Card Making

We came together to spread Easter and Spring joy to the residents of our local nursing home with handcrafted cards.
